

NUMETAL LAMINATE**06 41 16****2011**

PRODUCT INFORMATION	TYPE OF PRODUCT	Decorative Laminate
	COMPANY NAME	ATI
	PRODUCT/COLLECTION NAME	Numetal
	DESCRIPTION	Plastic sheeting used for countertops, cabinets, and wall panels
MATERIAL FEEDSTOCK	MATERIAL CONTENT	Thin metal surface and phenolic paper backing
	RECYCLED CONTENT %	49-50% Pre-consumer recycled content PVC per unit
	RAPIDLY RENEWABLE CONTENT %	100% rapidly renewable
	HARMFUL ADDITIVES	Phenol-free and formaldehyde emissions of less than 0.01 PPM, formaldehyde free also available on some of the samples.
	HARMFUL EMISSIONS	Does not exceed the Green Seal Standards GS-11
	EMISSION STRENGTH OVER TIME	N/A
	TREATMENTS	N/A
MANUFACTURING	MANUFACTURING PROCESS	We are investigating alternate methods of minimizing our off-fall through "waste-to-profit" networking where our manufacturing waste becomes material for another product. We are working with our suppliers to reclaim their materials that go into our final product assembly – further minimizing the manufacturing waste that ends up in a landfill.
	HARMFUL EMISSIONS	Does not exceed the Green Seal Standards GS-11
	LOCATION OF MANUF. PLANT	Greensboro, NC
	TESTS/CODES	ISO 9001
	3RD PARTY CERTIFICATION	Development and Test Laboratory for Wood Technology (EPH) in the Institute for Wood Technology in Germany, this product was analyzed and certified according to (EN DIN 717/1) exceeding the emissions thresholds of CARB's Airborne Toxic Control Measure (ACTM) Phase 1 and 2 for HWPW, PB, and MDF. ISO 9001 certified.
INSTALLATION	INSTALLATION PROCEDURE	Product is installed with adhesive
	INSTALLATION ADHESIVES	This product can be installed using adhesives that meet the requirements listed in LEED for Low-emitting Materials 4.1
	UNIT COST	4' x 8' sheets, \$ varies
	LIFE CYCLE ANALYSIS EXTRACTION	High impact resistance for longevity.
	END OF SERVICE LIFE	N/A
MISC. PROPERTIES	QUALITIES/PROPERTIES OF PRODUCT	Most designs available in a green, formaldehyde-free option.
	MISC. COMMENTS	Can be painted as well.
	CONTRIBUTION TO LEED POINTS	Materials and Resources 4 Materials and Resources 5 Indoor Environmental Quality 4.2 Indoor Environmental Quality 4.6
COMPANY PROFILE	GREEN PHILOSOPHY	Our ceiling tiles are our way of passing along the opportunity to incorporate sustainability into your green project. Our tiles are especially beneficial in retrofit projects because they eliminate the need to throw away old ceiling tiles – this will assist a project's construction and demolition waste management. This is "design for upgradability" in action and one way ATI is your partner in achieving your project's sustainability goals.
	CONTACT	A WEB-DON INC 4215 N. Patterson Avenue Winston-Salem, NC 27105 (800) 642-0525 or (336) 767-8800 (336) 767-0779 Fax Steve Shore, Sales Alva Horton, Spec. rep. Jim Britland, ATI Agent
MAINTENANCE	AFTER INSTALLATION	Damp, non-abrasive cloth and household cleaner
