

PRODUCT INFORMATION	TYPE OF PRODUCT	Hardwood Veneer
	COMPANY NAME	Lyptus
	PRODUCT/COLLECTION NAME	Lyptus Veneer
	DESCRIPTION	Sustainable exotic hardwood
MATERIAL FEEDSTOCK	MATERIAL CONTENT	Wood
	RECYCLED CONTENT %	0%
	RAPIDLY RENEWABLE CONTENT %	Forest Stewardship Council (FSC) certification Quickly grown with ability to be harvested within 14-16 years Company manages its own seed bank and nurseries. [The Fibria plantations are a mosaic of eucalyptus and native tropical forest which were previously agricultural and grazing lands. Over 30% of these plantations are managed as permanent native forest dedicated to environmental protection. Original species native to the area over 100 years ago have been reintroduced into this ecosystem. The Fibria plantations supplying the APM mill are certified to Brazil's national sustainable forestry standard, Cerflor. This standard has been endorsed by the Programme for the Endorsement of Forest Certification (PEFC), a European based international organization that endorses credible sustainable forestry programs. PEFC is the largest global forest certification system and has more than 200 million hectares of certified forest under 35 independent national certification systems.] – stated from website www.lyptus.com
	HARMFUL ADDITIVES	Meets California Air Resources Board (CARB) formaldehyde regulations
	HARMFUL EMISSIONS	None Stated
	EMISSION STRENGTH OVER TIME	None during installation or after installation
	TREATMENTS	None Specified
MANUFACTURING	MANUFACTURING PROCESS	Produces 30 times the amount of lumber per hectare per year when compared to an unmanaged temperate forest. Weyerhaeuser mills and APM mill use every portion of the log and convert the lumber and other usable by-products. By-products are used as bio-energy for kiln drying operations.
	HARMFUL EMISSIONS	None Stated
	LOCATION OF MANUF. PLANT	Not Specified
	TESTS/CODES	N/A
	3RD PARTY CERTIFICATION	Program for the Endorsement of Forest Certification (PEFC) Forest Stewardship Council (FSC) certification
INSTALLATION	INSTALLATION PROCEDURE	Use a quality brand hardwood floor cleaner Do NOT use plain water or water / vinegar solution – solution will ruin floor finish
	INSTALLATION ADHESIVES	Low VOC content
	UNIT COST	Priced favorably to genuine walnut, cherry, mahogany, and maple
	LIFE CYCLE ANALYSIS EXTRACTION	Engineered: 25-year Limited Finish Warranty for residential 3-year limited warranty for light commercial Solid Strip: 25 year limited finish warranty from the manufacturer
	END OF SERVICE LIFE	Not Specified
MISC. PROPERTIES	QUALITIES/PROPERTIES OF PRODUCT	Tongue-and-groove construction Can be stapled, glued down or floated Can be used in below-grade spaces and in rooms with radiant heat
	MISC. COMMENTS	N/A
	CONTRIBUTION TO LEED POINTS	None Stated
COMPANY PROFILE	GREEN PHILOSOPHY	Beautiful. Exotic. Eco-Aware
