COMPANY PROFILE	GREEN PHILOSOPHY	YOLO Colorhouse® stands for premium, environmentally responsible paint products with a user-friendly color palette. In 2005, YOLO Colorhouse® was born, combining a premium, zero-voc paint with a limited, designer palette. The palette of 40 hues are specifically designed for interiors and inspired by our natural world. We created our palette directly from our experience giving advice to homeowners and designers. YOLO Colorhouse® is created by scientists and artists with nature in mind.

PRODUCT INFORMATION	TYPE OF PRODUCT	Paint
	COMPANY NAME	AFM Safecoat
	PRODUCT/COLLECTION NAME	Safecoat Coatings & Stains
	DESCRIPTION	At Safecoat®, protecting personal health has always been our first priority. That's why for over 25 years we've been working to develop the safest, highest quality and least toxic paints and building products. Today AFM

		safecoat is the leading provider of environmentally responsible, sustainable and non-polluting paints, stains, wood finishes, sealers and related green building products.
<u>MATERIAL FEEDSTOCK</u>	MATERIAL CONTENT	Varies by Product. Water, Kaolin Clay, Titanium Dioxide, Acrylic Copolymer Emulsion and many varieties of natural oils are common along with many others.
	RECYCLED CONTENT %	0% Recycled Content
	RAPIDLY RENEWABLE CONTENT %	N/A
	HARMFUL ADDITIVES	Free from Phenols, Formaldehyde or heavy metals, Crystalline Silica, Ammonia, chlorine, butyl ethers or corrosive cleaning agents. **Titanium Dioxide: Considered carcinogenic to rats. No sufficient evidence to support the same conclusion in humans. Also noted that there is not enough titanium dioxide contained in paint to be harmful.
	HARMFUL EMISSIONS	Most Products have very Low VOC Emissions and are low odor. Many products combat indoor air pollution by sealing in offgassing chemicals. Proven to reduce formaldehyde offgassing by 90% or better. Exceeds all federal and state air quality regulations, including California.
	EMISSION STRENGTH OVER TIME	N/A
	TREATMENTS	Water-based tinting system
<u>MANUFACTURING</u>	MANUFACTURING PROCESS	N/A
	HARMFUL EMISSIONS	N/A
	LOCATION OF MANUF. PLANT	Los Angeles County, CA
	TESTS/CODES	N/A
