	QUALITIES/PROPERTIES OF PRODUCT	Our history in lighting began in 1950 when our family patriarch, Jack R. Stone, founded House-O-Lite Corporation. In 1971, his son, Ron Stone, incorporated LBL Lighting which rose to become one of the leaders in contemporary design in the lighting industry. We are pleased that we can again pledge total support to our sales representatives and customers and now we are able to give you a peek at what our new company, Stone Lighting, is all about.
	MISC. COMMENTS	Our offering ranges from exciting new crystal designs to Murano organic glass creations and are composed of innovative designs that have inspired our industry for many years. Our latest portfolio of luminaires is sure to impress you. We have combined a flair for originality with creative and unique cutting edge designs.
COMPANY PROFILE	CONTRIBUTION TO LEED POINTS	EA Credit 1: optimize energy performance
	GREEN PHILOSOPHY	You will find the best in low voltage lighting systems in our newest generation of monorail and cable lighting. We are excited to be in the forefront of LED innovation incorporated into many luminaires in our new collections. Additionally, we are particularly proud of the cleanest and best quality finishes to date. Our exterior fixtures in traditional and contemporary designs are available in stainless steel, die-cast brass and aluminum all consisting of a wide range of lamping choices, including LED. Most importantly, we believe you will enjoy working again with the Stone Family as we are reunited with our friends industry wide. We are all working very hard to rebuild your trust in our new company upon which you can depend.
