| | QUALITIES/PROPERTIES OF PRODUCT | <p>Marset is more than lamps: We take care of light in its different nuances and effects, to create atmospheres with character, helping to improve people's quality of life.</p> <p>We dedicate all our efforts to create first-class designs seen at their best, expressed in the flawless completion of each project. We seek to produce innovative and clever objects kindling the audience senses while simultaneously taking them on a journey.</p> <p>Marset's lamps are contemporary. Through the application of technical precision and creativity, we constantly aim to discover new functions to provide other uses for our long lasting lamps. This constant quest for new directions, combined with our curiosity and ability to envisage the shape of things to come, has led to the pieces in our collection.</p> |
| | MISC. COMMENTS | The main characteristics of this collection are its authentic feel, meaningful simplicity and the decorative factor integrated with a restrained approach. |
