<u>MISC. PROPERTIES</u>	QUALITIES/PROPERTIES OF PRODUCT	Does the product have high durability?
	MISC. COMMENTS	What materials are used in product packaging? Is packaging made of recycled content, recyclable, or minimal?
	CONTRIBUTION TO LEED POINTS	
<u>COMPANY PROFILE</u>	GREEN PHILOSOPHY	We will identify our environmental footprint and reduce our impact by implementing a wide variety of initiatives. Because we are committed to sustainable business practices, and to protecting our environment, this initiative will grow into core values, dedicated to the stewardship of our natural resources. 1. The Flexsteel environmental policy and practices will promote a culture committed to the conservation and stewardship of resources, and to the creation of a sustainable environment. 2. Flexsteel is one of eight furniture companies to be registered SUSTAINABLE BY DESIGN by the American Home Furnishings Alliance. This recognition requires five ongoing practices at Flexsteel:

		<p>A. Implement an environmental management system.</p> <p>B. Minimize your environmental footprint.</p> <p>C. Provide supply chain management.</p> <p>D. Monitor Flexsteel's impact on global climate change.</p> <p>E. Strengthen corporate social responsibility.</p>
